

GRUPO ARMAS
INTERCAMBIADORES DE CALOR AUTOMOTRIZ

QUALITY POLICY

Our policy is to plan, produce and deliver products under a customer focus orientation, in compliance with the applicable requirements to guarantee customer satisfaction, throughout defect prevention, risk reduction and continuous improvement in the effectiveness and efficiency of our Quality Management System.

The objectives towards Quality are:

- Internal rejection reduction.
- External rejection reduction.
- Meet the delivery times agreed with the customer.
- Control and reduction of waste (Scrap).
